

Merry Christmas from Jai Medical Systems

Dear Friend,

During this holiday season, we would like to thank you for your continued membership with Jai Medical Systems, the Highest Rated Medicaid Health Plan in Maryland, according to the 2024 MCO Report Card. You made a smart choice!

As always, at Jai Medical Systems, we want to help *you live life well*. In an effort to promote wellness this Winter season, we would like to take this time to remind you about the importance of staying up to date with preventative healthcare by visiting your Primary Care Provider (PCP), and the importance of receiving immunizations such as the flu shot. By doing this, you will stay healthy this winter season, and you may even earn your Healthy Reward. Remember, it is not too late to earn your 2024 Healthy Reward! To earn your Healthy Reward for 2024, please visit your PCP for your annual physical before the end of the year. For assistance with scheduling an appointment with your PCP, please contact us today at 1-888-JAI-1999.

Lastly, please renew your Medicaid benefits with Jai Medical Systems when you are notified it is time to do so. Maintaining health insurance coverage is important especially when you are seeking to access care at your PCP's office, visiting urgent care or the Emergency Room, or when filling a prescription. For more information on how and when to renew your Medicaid benefits, please see page 3 of this newsletter.

Wishing you a Merry Christmas and Happy New Year!,

This is why we have added a new survey to our website, [https://](https://jaimedicalsystems.com/members/update-my-information/)

jaimedicalsystems.com/members/update-my-information/ where you can share additional information about you, such as your race, ethnicity, and preferred language among other topics.

This survey is optional, and all responses received will be kept confidential. Please note, completion of this survey is not required to receive benefits and services from Jai Medical Systems.

CAHPS and Member Satisfaction and Survey Results

Each year, Jai Medical Systems receives feedback from our members through two surveys. The first is the Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey. The goal of this survey is to find out what you think of your health plan, Jai Medical Systems, and the providers you see. The CAHPS survey results are compared against other health plans throughout the State and Nation. The 2023 Adult CAHPS results showed that our “Overall Health Plan Rating” was 47.64%. Our highest performing areas for adults included “How Well Doctors Communicate” at 91.42% and “Customer Service” at 92.98%. For the 2023 Child CAHPS survey, we received an “Overall Health Plan Rating” of 59.43% and the highest performing area was “How Well Doctors Communicate” at 93.22%.

The second survey is an internal survey that Jai Medical Systems sends out to give members an opportunity to provide us feedback on how we are doing. In 2023, our overall satisfaction rate from our members in this survey was 99%. Our 2024 internal survey was sent out with our Fall 2024 Health Beat. If you have not completed this survey yet, please take some time to complete it and mail it back in the postage paid envelope.

Thank you for taking the time to provide us with your valuable feedback and for participating in these surveys. If there are any areas where you feel that you cannot rate us highly, please do contact our Customer Service Department at 1-888-524-1999 so that we may address your concerns.
